

*Your amazing career begins right here.
Life is short-work somewhere great!*

Here's what your contribution will be as an **FASD Lifespan Support Worker**

- ❖ Providing outreach support services with male adults who have been diagnosed with, or are suspected of having Fetal Alcohol Spectrum Disorder in the Lethbridge area.
- ❖ You will provide case management, help with facilitating appropriate community supports and helping clients using a strength based, client centered approach.

The offer we have for you is:

- ❖ Work-life balance - 40 hours/week
- ❖ Competitive Salary (\$21.22 to \$24.82/hr) depending on experience and education)
- ❖ Rewarding career in a positive workplace
- ❖ Full Benefits including – Pension, Health, Dental, EAP, time off allowances (starting day one!)

Here's what you will need to get an interview:

- ❖ Degree/Diploma in Human Services, plus experience in community and/or family support systems and community resources
- ❖ FASD Certificate or training
- ❖ Prior training and experience working with individuals affected by FASD
- ❖ Approved CYIM and Police Checks (within the last 6 months)
- ❖ Suicide Prevention Training (preferred)
- ❖ First Aid/CPR – Level C
- ❖ Valid Alberta Driver's License, use of reliable vehicle
